★ Wainwright

BUILDING OUR FUTURE. HONORING THE PAST.

Balancing our Iñupiat heritage with economic development is nothing new for the village of Wainwright – or for Olgoonik, the community's Alaska Native Corporation. Olgoonik companies deliver professional services around the world and at home.

Olgoonik specializes in oilfield, construction, logistics, security and environmental services. While deeply committed to safeguarding our lands and traditions, we actively support sound, suitable and safe opportunities for the entire Arctic community.

THIS OCEAN SUSTAINS US

After 40 years of celebrating the best seafood the North Pacific has to offer, Trident Seafoods remains fully committed to responsible, science-based fisheries management. Now, as humanity contemplates the opportunity for a new Arctic encounter, we must be ever mindful of this ocean's blessings and the grave responsibilities shared by its stewards.

THE ARCTIC REPORT

Reporting on Arctic Dialogue in the U.S. Capital

The Arctic Report is a reporting and consulting service to keep you up to speed on the conversations among lawmakers, diplomats, academics, and business leaders.

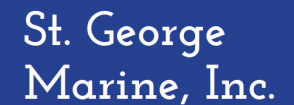

The Arctic Report is published by The North Star Group, Alaska-DC consultants providing strategic advice, advocacy, and research — www.northstargrp.com.

Sign up today for less than \$200 per month for in-depth Arctic coverage in DC— www.thearcticreport.com.

North Pacific Seafoods, Inc. ("NPSI") operates seven seafood plants in Alaska, where we produce fresh, frozen and canned products out of salmon, pollock, Pacific cod, halibut, sablefish, crab and other species. NPSI prides itself on offering high quality, wild, sustainable seafood. More information can be found at: www.northpacificseafoods.com
